Index Births In Morgan County Illinois by last name.

These birthdates were copied from an office in another building stored there for many years. a friend who worked in that building found them and gave me permission to copy them, then she put them back in an area she found them.

This section then gives our readers an opportunity to review them as a possible source of knowledge for their families of years ago. back to the 1880's.

[illegible]

BIRTHS IN MORGAN COUNTY -- by last name

These birthdates not copied from Court House records, but a remote source stored in another building for many years.
